

## THE MONTH OF LOVE & MUCH MORE

WRITTEN BY HUMBLE HOME  
CARE SERVICES

This February we want to celebrate and cherish all who share in the spirit of love. We want to give a huge shoutout to all our caregivers/aides on the frontline who risk their lives in order to take care of those who might be vulnerable during the Covid-19 pandemic.

"The closest thing to  
being cared for is to  
care for someone  
else."

Carson McCullers
